After-Prom Dinner & Auction

The 19th annual Park Hill School District After-Prom Auction & Dinner, hosted by the PTA's of Park Hill and Park Hill South High Schools, will be held on Saturday, February 25, 2017, at The Argosy. Proceeds from this event will help provide funding for each high school's drug and alcohol free After-Prom Party, Student Safety Education and Safe Driving Initiative Programs.

Alcohol related car crashes, especially on prom night are the number one killer of teens. The After-Prom party is a fun, safe event that begins after the prom is over, and runs into the early morning. These events are gaining in popularity across the nation. Over 700 students attended our district After-Prom events last spring. We are hoping to build on this momentum, and make sure that this year's After-Prom Party at each high school is the ONLY place to be when the prom dance is over for our students.

A few years ago we started a promotion to GIVE BACK to our most generous donors. We were grateful that it was such a success and so well received that we will offer it again. We truly value your support of this program, so we are offering businesses who wish to donate, a special way to advertise on the Park Hill District Web Site and at each high school site. We will list companies on our website (no logos please) so web site visitors may see listed those companies who have participated. In addition, your business will be listed the night of event on our signage and in the program. For those businesses who can donate \$500 in product or service, we will provide a direct link to your business via The Auction FACEBOOK PAGE.

If you feel you could help us by providing a donation, sponsoring a table, or purchasing ad space for our After-Prom Dinner Auction, please complete and submit a donation form, or contact the PTA representative below. Your donated item will be displayed at the event and will be recognized in our auction catalog as always. Table sponsors receive recognition in several ways, as noted on the donor form.

Your support is greatly appreciated! If you have any questions or need more information, please contact us at the number below.
