About Delta Dental...

Delta Dental gives you the freedom to visit the dentist of your choice and to select any dentist on a treatment by treatment basis. It is important to remember your out-of-pocket costs may vary depending on your choice.

Delta Dental also gives you access to two networks of participating dentists, Delta Dental PPO and Delta Dental Premier. If your dentist participates in both networks you will receive the best level of coverage available which is typically found in the PPO network. You can verify which network(s) your dentist participates in by visiting Delta Dental's website at www.deltadentalmo.com and clicking on "Looking for a Dentist?" or by calling Delta's Customer Service Team at 1-800-335-8266.

Delta Dental PPO Network

A subset of the Delta Dental Premier Network, over 159,000 dental offices participate in the Delta Dental PPO program. Delta Dental will provide the highest level of benefits (see benefit highlights) for covered services when care is received from a Delta Dental PPO dentist. These dentists agree to:

- **Accept payment based on a reduced fee schedule** – which means fewer dollars accumulate towards your annual benefit maximum, your out-of-pocket expenses are typically less and you are protected from balance billing.
- Submit dental claims for members and abide by Delta's policies.
- Charge members only their deductible, co-insurance, and costs for non-covered services at the time of visit because Delta Dental pays the dentist directly.

Your out-of-pocket expenses are typically lowest when you see a Delta Dental PPO dentist.

Delta Dental Premier Network

Comprised of over 241,000 participating dental offices, Delta Dental Premier offers you greater access to dentists while still offering the advantages of a network. These dentists have contractual agreements with Delta Dental which require them to:

- **Accept payment based on a contractual agreement** – which means no balance billing.
- Submit dental claims for members and abide by Delta's policies.
- Charge members only their deductible, co-insurance, and costs for non-covered services at the time of visit because Delta Dental pays the dentist directly.

Non-Network Dentist

If you receive services from a non-network dentist (does not participate in either Delta Dental network):

- You may be responsible for filing your own claim forms.
- Delta Dental's benefit payment will be made directly to you.
- Benefit payments will be based on Delta's maximum plan allowance.
- You may be balance billed if there is a difference between the dentist's charge and Delta's maximum plan allowance.

Your out-of-pocket expenses may be more when you use a non-network dentist.

Locating a Participating Dentist...

To determine if your dentist participates with Delta Dental or to select a participating dentist in your area:

- Ask your dentist if he or she participates in the **Delta Dental PPO** or **Delta Dental Premier** program, or
- Search on-line at www.deltadentalmo.com, or
- Call Delta Dental Customer Service at **1-800-335-8266**

About Your Coverage

About Delta Dental

Your dental coverage is provided by Delta Dental of Missouri (DDMO), a not-for-profit corporation. DDMO is a member of a nationwide system of dental benefit providers, known as Delta Dental Plans Association (DDPA), the largest provider of dental benefits in America.

Your Membership Card

Dentists do not typically require an ID card, and your dentist can always call DDMO to verify your coverage. If you, your group or dentist prefers that you have an ID card, DDMO will provide you one. ID cards are available through your group or DDMO, by mail or on our website.

Selecting Your Dentist

You may visit the dentist of your choice and select any dentist on a treatment by treatment basis. It is important to remember your out-of-pocket costs may vary depending on your choice. You have three options.

1. PPO Participating Dentist (Delta Dental PPO Network). Delta Dental's PPO network consists of dentists who have agreed to accept payment based on the lesser of usual fees or the applicable PPO Maximum Plan Allowance and to abide by Delta Dental policies. This network offers you cost control and claim filing benefits.

2. Non-PPO Participating Dentist (Delta Dental Premier Network). Delta Dental's Premier network consists of dentists who have agreed to accept payment based on the lesser of filed fees or the applicable Premier Maximum Plan Allowance. This network also offers you cost control and claim filing benefits. However, your out-of-pocket expenses (deductibles and coinsurance amounts) may be higher with a Premier dentist, based upon your plan design.

3. Non-Participating Dentist. If you go to a non-participating dentist (not contracted with a Delta Dental plan), DDMO will make payment directly to you based on the lesser of the dentist's billed charge or the applicable Maximum Plan Allowance. It will be your obligation to make full payment to the dentist and file your own claim. Obtain a claim form from your Plan Administrator's office or from DDMO.

Advantages of Selecting Participating Dentists

All participating dentists (PPO and Premier) have the necessary forms needed to submit your claim. Delta Dental participating dentists will usually file your claims for you and DDMO will pay them directly for covered services. Visit our website at deltadentalmo.com to find out if your dentist participates or contact DDMO to automatically receive, at no cost, a list of PPO and Premier participating dentists in your area. You are not responsible for paying the participating dentist any amount that exceeds the PPO or Premier Maximum Plan Allowance, whichever is applicable. You are only responsible for any noncovered charges, deductible and coinsurance amounts.

Eligibility

To be eligible for this coverage, you must meet the eligibility requirements set forth on the **Schedule of Benefits**. You become eligible for the coverage on the day specified on the **Schedule of Benefits** or the **ERISA Information**. If desired, you may obtain a copy of the qualified medical child support order and other special eligibility procedures, at no charge, upon request.

Enrolling

At the time of initial enrollment, a member must select one of the membership types offered in the application. If your membership application is not received within 31 days after you first become eligible, your coverage will not become effective until your group's next renewal date. If your dependents (e.g., spouse and dependent children) are not added to your membership within 31 days after they first become eligible dependents (an additional 10 days will be allowed to enroll a newborn child), their coverage will not become effective until your group's next renewal date. During the benefit period, a member may only change his or her selected membership type because of marriage, birth, adoption (or date of placement for purposes of adoption), divorce, death, a Dependent reaching the

limiting age or another designated change in status (if any) under the Membership Certificate. Additional dues or service charges may apply to the change. If a member changes his or her membership type during the annual open enrollment, he or she must wait one-year in order to make another change in membership type (unless the member has a change in status identified above), and then only on your group's next renewal date.

Dependent Children

A dependent child (natural, stepchildren or legally adopted) is eligible for coverage until the end of the calendar year in which he or she reaches the dependent age limit (shown on your **Schedule of Benefits**) or is eligible to enroll or enrolled under any employer-sponsored group health plan that provides dental benefits.

Unmarried dependent children who are incapable of self-support because of physical or mental impairments can continue to be protected under your membership regardless of age, if they become impaired before reaching age 19. A special application must be completed by you and your dependent child's physician at least 31 days before your child's 19th birthday. DDMO may require proof of continued disability and dependence once a year thereafter.

Explanation of Benefits

In certain situations, when a claim is filed by you or your dentist, you may receive a form called an Explanation of Benefits (EOB) from us (e.g., the claim is denied or a balance due to the dentist). It tells you what services were covered and what, if any, were not. An explanation of how to appeal a claim is on the front of the EOB as well as in this Summary Plan Description (SPD).

Coordination of Benefits and Termination

If you have other dental coverage, benefits under this program are coordinated with benefits under any such other program to avoid duplication of payment. The two programs together will not pay more than 100% of covered expenses. DDMO may recover benefit overpayments. An enrollee's coverage will terminate for, among other things, the following: the enrollee no longer meets the eligibility requirements, the group's coverage is terminated, or the member dies. Termination of coverage does not prejudice claims originating prior to termination.

Conversion and Continuation of Coverage

Coverage may not be converted to an individual plan upon termination of employment. If coverage for you or an eligible dependent (qualified beneficiary) ceases because of certain "qualifying events" (e.g., termination of employment, reduction in hours, divorce, death, child's ceasing to meet the definition of dependent) specified in a federal law called COBRA, then you or your eligible dependent may have the right to purchase continuing coverage for a limited period of time (which may be 18 or 36 months (or some other period of time) depending on the circumstances), if such coverage is timely elected during the 60 day election period, which 60 days after the date coverage would have stopped due to a qualifying event or 60 days after the date the person is sent notice of the right to continue coverage. The qualified beneficiary must timely pay the full applicable cost for this continuation coverage on a monthly basis. Enrollees that may be eligible for such continued coverage should contact their Plan Administrator's office to advise them of the qualifying event and to receive information specific to their circumstances. For more information about COBRA rights, please contact your Plan Administrator's office.

Claim Predetermination

If the care you need costs less than \$200 or is emergency care, your dentist will proceed with treatment at your option. If the cost estimate is more than \$200 and is not emergency care, your dentist will determine what treatment you need and could submit a treatment plan to DDMO for predetermination of benefits. This estimate will enable you to determine in advance how much of the cost will be paid by your dental coverage and how much you will be responsible for paying.

Benefit Outline

Your Schedule of Benefits included in this SPD will show which of the levels of coverage listed below are included in your dental program. It will also show the amount of your deductible and which levels of coverage the deductible applies to. After you satisfy your dental deductible (if it applies), your dental benefits will pay a specific percentage of the allowed amount of covered services, up to your benefit maximum each benefit period. You will be responsible for the remaining coinsurance amount.

For your benefit maximum(s) and your covered percentage(s), refer to your Schedule of Benefits. (If you have orthodontic benefits, you will have a separate lifetime maximum for these benefits.) **Your dental benefits are provided according to a benefit period as described in your Schedule of Benefits.**

Refer to your **Schedule of Benefits** to determine the extent of your coverage.

Coverage for multiple radiographs on the same date of service will not exceed the coverage level for complete mouth series. • Endodontic (root canal treatment) on the same tooth is covered only once in a 2 year period. Re-treatment of the same tooth is allowed when performed by a different dental office. • Charges for replacement of filling restorations are only covered once in a 24 month period, unless the damage to that tooth was caused by accidental injury not related to the normal function of the tooth or teeth. • If an existing bridge or denture cannot be made satisfactory, a replacement will be covered only once in 10 years, but not during the first year of Coverage C benefits. | <ul style="list-style-type: none"> • Dental benefits for an initial or replacement crown, jacket, labial veneer, inlay or onlay on or for a particular tooth will only be provided once in 5 years, unless the damage to that tooth was caused by accidental injury not related to the normal function of the tooth or teeth. • If your membership is terminated before an orthodontic treatment plan is completed, coverage will be provided only to the end of the month of termination. • Benefits will not be paid for repair or replacement of an orthodontic appliance. • After completion of your orthodontic treatment plan or reaching your orthodontic lifetime maximum, no further orthodontic benefits will be provided. |

If you receive care from more than one dentist or service provider for the same procedure, benefits will not exceed what would have been paid to one dentist for that procedure (including, but not limited to prosthetics, orthodontics, and root canal therapy). If alternative treatments are available, DDMO will be liable for the least costly professionally satisfactory treatment. This would include, but is not limited to, services such as composite resin fillings on molar teeth, in which case the benefits are based on the allowed amount for an amalgam (silver) filling; or services such as fixed bridges, in which case the benefits may be based on the allowed amount for a removable partial denture.

Services Not Covered

Charges for the following are not covered:

- Services or supplies for which the enrollee, absent this coverage, would normally incur no charge, such as care rendered by a dentist to a member of his immediate family or the immediate family of his spouse.

- Services or supplies that a dentist determines for any reason, in his professional judgment, should not be provided.

- Infection control, including sterilization of supplies and equipment.

How To File and Appeal A Claim

Your claims must be filed by the end of the calendar year following the year in which services were rendered. DDMO is not obligated to pay claims submitted after this period. If a claim is denied due to a PPO or Premier participating dentist's failure to make timely submission, you will not be liable to such dentist for the amount which would have been payable by DDMO, provided you advised the dentist of your eligibility for benefits at the time of treatment.

You will be provided written notice if your claim for benefits under the Plan has been denied, setting forth the specific reasons for such denial, written in a manner to be understood by you. Additionally, if your claim for benefits has been denied, you will be afforded a reasonable opportunity for full review of the decision denying the claim, including appeals and requests for review.

DDMO has established a first-level and second-level review process for written complaints. A first-level review, whether related to an adverse benefit determination or for reasons other than an adverse benefit determination, must be submitted in writing to DDMO's Customer Service Department. You have 180 days to submit your written complaint after receiving the denial or the notice that gave rise to the complaint. DDMO shall allow 180 days from the date allowed to file the first level complaint or 180 days from the date DDMO sent notification to the person who submitted the complaint of DDMO's resolution of said first level complaint, whichever is later. Any complaint should be accompanied by documents or records in support of the complaint. You may review pertinent documents relating to the claim and submit issues and comments in writing for consideration.

DDMO will acknowledge receipt in writing within ten working days and will investigate the complaint within twenty working days after receipt of a complaint. If additional time is needed to complete the investigation, DDMO will notify you in writing on or before the twentieth working day with the investigation completed within thirty working days thereafter. DDMO will notify you in writing of the decision within five working days following the investigation. You have the right to request a second-level review, in which case, DDMO shall follow the same time frames as a first-level review except in the case of a request for an expedited review where life or health of an enrollee may be in jeopardy. Any first-level complaint should be sent to: Delta Dental of Missouri, Customer Service Department, 12399 Gravois Rd, St. Louis, MO 63127-1702. Second-level appeals should be sent to: Delta Dental of Missouri, Appeals Committee, 12399 Gravois Rd, St. Louis, MO 63127-1702. You have the right to file an appeal with the Director of the Missouri Department of Insurance at any time. For detailed information on filing an appeal with the Missouri Department of Insurance, (MDI), contact: Missouri Department of Insurance, ATTN: Consumer Affairs, PO Box 690, Jefferson City, MO 65102. The consumer hot line is 1-800-726-7390.

This document is a "summary plan description" (SPD) of your dental care coverage, which is more fully described in the Membership Certificate (plan document). Because this document is a summary, it does not contain a complete explanation of each and every provision or term contained within the more comprehensive Membership Certificate. ERISA Information (Continued)

If your Plan is subject to The Employee Retirement Income Security Act of 1974 (ERISA), the following applies. ERISA entitles you, as an enrollee in this program, to certain rights and protections. For more information, please contact your Plan Administrator's office.

ERISA provides that all Plan enrollees shall be entitled to:

Receive Information About Your Plan And Benefits

Examine without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and an updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each enrollee with a copy of this summary annual report.

Continue Group Health Plan Coverage

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this Summary Plan Description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

Reduction or elimination of exclusionary periods of coverage for pre-existing conditions under your group health plan, if you have creditable coverage from another plan. You should be provided with a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the Plan, when you become entitled to elect COBRA continuation coverage, when your COBRA continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a pre-existing condition exclusion for 12 months (18 months for late enrollment enrollees) after your enrollment date in your coverage.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan enrollees, ERISA imposes duties upon the people who are responsible for operating the

Plan. The people who operate the Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan enrollees and beneficiaries. No one, including your group, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or from exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and may pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a State or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in a Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance With Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator.
