**Bid Addendum**

Addendum for PHHS 80-Quart Mixer  
Bid Opening – Thursday, February 7, 2019  
9:00 am

A prospective bidder had requested approval of the Globe SP80PL as an alternate model to the original bid. It is not an approved, equal alternate. It does not provide:

- Ability to change speeds while the mixer is running (Shift on the Fly)
- Ability to agitate while the bowl is lifting or low speed for mixing dry ingredients
