The Board will have until its next regularly scheduled meeting to render its decision. The decision then must be presented in writing to the grievant.
- (5) In the event there is no hearing (because of No. 2 above) both sides shall present their arguments in writing. There shall be no additional information included in the written arguments which were not brought out during the proceedings of Level I and Level II. The Board may call in both parties if it has questions it wants answered before rendering its decision. The Board will have thirty (30) business days after receiving the arguments to make its decision. Once the decision has been made, it must be given to the grievant and the Association in writing.

d. General Provisions

- (1) No reprisals shall be taken by any party to this procedure against any party in interest, any witness and representatives, or any other participant in the grievance procedure by reason of such participation.
- (2) After Level I, no new evidence shall be admitted. Also, the remedy sought shall not be changed after the grievance is filed.
- (3) If the administrator does not render a decision in the time required in the agreement, the grievant may appeal to the next level within five (5) business days. If the grievant fails to do so, the grievance is considered dismissed.
- (4) Failure at any step of this procedure to appeal a grievance to the next level within the specified time limits shall be deemed as acceptance of the decision as rendered.
- (5) All communications to the grievant or building administrator that are required to be in writing shall be served personally or by registered (certified) U.S. Mail. All communications to be delivered to the Board of Education shall be considered served when placed in the hands of the secretary of the Board or Board President.
- (6) The Board and the administration will cooperate with the Association in its investigation of any grievance to the extent that it is reasonable to do so.
- (7) The number of days indicated at each level shall be considered as a maximum and every effort should be made to expedite the process. The time limits may be extended by a written mutual agreement and signed by both parties.
- (8) It is agreed that any investigation or other handling or processing of any grievance by the grievant or his/her representative shall be conducted so as to result in no interference with or interruption of the instructional program.
