II. QUESTIONS & ANSWERS

The following questions are as they were presented to Park Hill School District. The answers to said questions have been answered as completely and accurately as possible.

Q: In section V. Cost Sheet it asks for "50 FT" of Yellow 5' patch cord MFG #Z3305631....So to clarify or confirm---you are asking for QTY 10 of MFG #Z3305631 to equal 50FT? Or QTY 50 to equal 250 FT? Same question applies to MFG #Z3305631 7' yellow patch cord.

A: Please see *Section 1. CHANGES*, which pertains to PHSD's revised cost sheet. Please submit this revised cost sheet as opposed to the original one included in the document. PHSD wishes to clarify that we are requesting a quantity of 50 each – 5 ft. yellow patch cords at lengths 5' and 7'. PHSD allows vendors to contact Major Custom Cable for questions in regards to the custom part numbers included in the spec.
