II. QUESTIONS & ANSWERS

The following questions are as they were presented to Park Hill School District. The answers to said questions have been answered as completely and accurately as possible.

Q: Is there a difference between the primary bid and alternate bid? I am not seeing a difference, is this just to adhere to Erate rules in providing an alternate bid?

A: The alternate bid sheet is where respondents can list alternate manufacture’s product information. The alternate bid sheet is not required as a part of your response.

Q: Just to verify they do want a 1yr, 3yr & a 5yr quote?

A: Yes, please provide 1-year, 3-year, and 5-year pricing as broken out on the cost sheet.

Q: This device is not able to be quoted at the SSXNP service level, but I can quote it at SSSNP. Please clarify is SSSNP is what you’d like quoted.
