The following questions are as they were presented to Park Hill School District. The answers to said questions have been answered as completely and accurately as possible.

**Q1: If an OEM manufacturer’s product that hosts the Intel 10th generation processor is not yet available, can a respondent provide the current version product that is available to meet the delivery timelines and provide the upcoming model with the 10th generation processor as an alternative with different delivery timeframes?**

**Q2: Due to the unforeseen circumstances surrounding the COVID-19 Pandemic, will Park Hill be changing the product delivery timeframes?**

**A2: Yes, please see answer above and addendum.**

Q3: Addendum Number 1 posted 3/27/2020 refers to several changes to the RFP (listed below), yet the posted version of the RFP does not reflect these changes. Is there a more recent version of the RFP document?

- Pages 2, 4, 5, and 7 (deadline for requests for clarification)
