Course Titles: *Please select ONE course with an "X"*

- _____ **Design & Draw (1 Fine Art credit)** The course provides a basic foundation in both design and realistic drawing. Basic techniques are presented to encourage personal creativity and a successful beginning artistic experience. A variety of materials are used including pencil, markers, acrylic paint, colored pencils and scratchboard. This course prepares students for additional art opportunities in the intermediate courses.
- _____ **Pre-Algebra (1 Elective credit) *9th grade only*** The course will focus on four critical areas: (1) formulating and reasoning about expressions and equations, including modeling with a linear equations, and solving linear equations and inequalities; (2) deepening the understanding of a proportion and its relationship to an equation; (3) analyzing two- and three-dimensional space and figures using angle, similarity, and congruence; (4) comparing data distributions and populations, using probability models to draw informal inferences about populations.
- _____ **Constitutional Government/Economics (1 Social Studies credit) *12th grade only*** The course covers United States and state government, including U.S. and Missouri Constitutions. There is use of primary sources and writing. There is a strong civics component to this course. Additionally, this course includes topics such as the nature of economics, supply and demand in the market place, business in the free enterprise system and government in the economy.
- _____ **Music for a Lifetime (1 Fine Art credit)** A non-performance class that explores music of various styles through listening experiences. All styles of music are covered (classical, folk, music theater, jazz, popular, etc.) Investigations of composers and performers integral to the styles are included in the class. Activities include listening, discussions, projects and presentations on each style of music.
- _____ **Foundations of Fitness (Physical Education course)** This course applies the principles, practices and the importance of lifelong fitness. Students participate in fitness evaluations to determine fitness goals and participate in a variety of activities to promote overall fitness and health. As a result, students will be able to continue to apply the connection between health and regular physical activity after completing this course. ALL PE Students will attend at Congress MS (transportation will be provided)

This course can be taken for one session or both sessions. One session is ½ credit. Completion of both sessions is 1 credit.

Please indicate your choice below:

_____ Session 1 (½ credit)

_____ Session 2 (½ credit)

_____ Both Sessions (1 credit)
